If you checked off one or more of these symptoms, click [here](#) or call us at **713-366-8700** to learn more about how homeopathy can help you and your family. As you can see, this isn't our first rodeo!

All information contained in this ebook is for educational or marketing purposes only and is not to be construed as medical advice for diagnosis, treatment, prevention or cure of any disease. If you have a medical concern, please contact a medical doctor for treatment. We do not diagnose, but some of our clients, in the course of our work, have seen improvements in some of these areas for which they were diagnosed by their medical doctor.

Homeopathy is an alternative health improvement and support form of alternative medicine and is not a substitute for medical treatment by a qualified, licensed professional for any disease. Homeopathic manufacturing is regulated by the FDA, but homeopathy is not accepted by most modern medical science, and is not sanctioned by the FDA.

The homeopaths at Homeopathy Center of Houston are trained, professional homeopaths and are not medically licensed practitioners. Claims have not been evaluated by the FDA.
